Fox-Davies Capital Appointed as Joint Broker

KEFI Minerals, the AIM-quoted gold and copper exploration company with projects in Turkey, is pleased to announce the appointment of Fox-Davies Capital ("FDC") as joint broker to the Company with immediate effect. WH Ireland Limited continues to act as nominated adviser and joint broker to KEFI Minerals.

FDC is a Member of the London Stock Exchange and specialises in providing corporate finance advisory, broking and capital raising services to international resource companies operating in emerging markets. FDC provides its corporate clients with access to investors in the UK, European and North American capital markets and has an established track record with specialist resource investors.

KEFI Minerals' Chairman, Harry Anagnostaras-Adams, commented:

"We are very pleased to welcome FDC as an addition to our list of advisors. FDC's specialisation in natural resources and emerging markets make it an ideal choice as broker that we expect will help KEFI Minerals achieve its objectives FDC is also the Broker to KEFI Minerals' largest shareholder EMED Mining."
